LIVE FOAL GUARANTEE

- Trevalda Mountain Eires Service Fee will come with a 'LIVE FOAL GUARANTEE' which exists up to the foals 48 hours of age. A 'free return' for the following season to Trevalda Mountain Eire will be granted providing a Veterinary Certificate to verify that the foal died within the timeframe as intimated above or that the mare became barren during pregnancy.

 - Should you wish to substitute the mare in this contract with another at any stage, then you must consult Whiorau Sporthorses.
- The 'no foal free return' does not apply:
- If the mare is sold, exported or dies.
 - If the mare is not foaled under approved supervision at a recognised Stud OR Veterinary establishment, OR under mare owners supervision at Whioraus discretion.

MISCELLANEOUS

- The mare owner is entitled to a refund of the Service Fee if the stallion dies or becomes unfit for breeding prior to the mare receiving a semen shipment in the current breeding season, minus any expenses already incurred pertaining to that service fee.
- Whiorau is not liable for any act, omission or failure under this Agreement including damaged, lost or delayed semen, if that act, omission or failure arises directly from a cause beyond Whiorau's reasonable control. Whiorau shall advise the mare owner as soon as possible after becoming aware of such cause.
- The mare owner accepts that it is their sole responsibility to keep Whiorau fully informed of the likely time semen will be ordered as the mare progresses in her cycle, leading up to the anticipated insemination date, or to be aware of when the mare will be standing. Then also to order semen within 48 hours notice of it being required to leave Whiorau. Failure to do so may result in semen being unable to be sent in time. Should this happen then the mare owner accepts they cannot hold responsible Whiorau for any cost associated with the semen being not available in time to inseminate the mare.
